Serving regularly is the best way to meet folks and join community

Giving we find that those who give feel part of the church more than those who don't. Our income comes from the giving of those who come to church and we encourage people to give 5-10% of their income to God through church.

Services this summer

St Mary's is a church of many nations together in Christ. As we look at town and nation, we believe that growing community is important at this time. We are seeking to gain strength from one another and God as a community centred in Christ. Join us as we move forwards on the journey God has called us on...

Sunday at 9 am

Based around liturgy and includes elements such as hymns and Holy Communion as well as prayer for healing and perhaps some Northumbria worship as well. It is a wonderful opportunity to encounter God in liturgy, sacrament and stillness in the surroundings of a beautiful and historic building. We meet in the Wenlock Chapel for around 40 minutes. We follow the lectionary with occasional topical series

Our 7.00pm cafe style service meets on the 2nd and 4th Sundays of the month. We are a community committed to walking together through the challenges of life.

We try to build community (usually around some food) and explore together how we can find our place and purpose in an uncertain world . We do this by asking the tough questions of scripture, seeking to encounter God in worship and through his Holy Spirit and by walking life together.

Whether you have a faith or not doesn't really matter, you are very welcome to come and check us out, we would love to meet you.
